These funds will no longer be available for the clients immediate effect and make take up to 20 working days, depending on the bank, to become available. We will not be responsible for any insufficient funds or bank fees related to this process. If the client has insufficient funds in his credit card to cover the excess, the No Excess Option and Extra Cover Insurance are obligatory. Only Embossed Master Card and Visa credit cards are accepted. Electron Cards and American Express cards are not accepted.

An International Licence is also required, along with your own home licence if you are renting out of the country where your home licence was issued or your licence is not in the Roman Alphabet. Please always check in your own country for full details and requirements on where to obtain one.

Vehicle Return Grace Period - Rental days are based on a 24 hour period starting at the time the vehicle is collected. A grace time of 30 minutes is given. If the vehicle is not returned at the correct time, an additional charge of €25 per hour will be charged after the 30 minutes grace period. On return, the client has to park the car again in the same car park, and the keys can be dropped in the Deposit Box 13 in the Lobby of the Car Hire Centre.
